The committee on systematic contributions reported. Adopted.

The committee on systematic Benevolence Have fully considered the necessities of the Church also the duty of each member in regard to the same, and conclude let us view the Charity and Benevolence in what light we may that it is the duty of each to give of their means as the Lord has propered.

Honor demands this. Christian duty demands it. the prosperity of the church demands it. Therefore we sincerely recommend that the Church direct the clerk to take from the Church Book the names of each and all its members and that the same be placed in the hands of the officers of the church and that they are directed to call on each and every member and urge them to give accordingly of

**their means as the Lord has prospered — We are also fully satisfied that less than one hundred and fifty Dollars annually will fail to discharge the Christian duties of the church. The Committee Recommend that the Church adopt the above as its plan of systematic Benevolence.**

**In my early recollection Unity Church was then called Floyds Meeting House it was built for the benefit of the Baptist and ocupied by three Denominations, the Baptists, Presbyterians & Methodist. the Baptist preaching regular on their meeting days, the Presbyterians preaching regular on their days which was Wednesdays. Ther Preacher was James Gilleland. the Methodist preaching regular on ther days Preaching many Funerals. ther Preacher was John Mullinax was a noble man & a noble Preacher loved & liked by all morel [moral?]people I cannot speak to high of John Mullinax. I believe if there was ever a Christian he was one. God bless him he is in Heaven. would we had more men like him.**

**I was Baptized by Miles Rainwaters bless him he is in Heaven. in my early days there was no confusion and rasping or guarbling through Denominations & no ill feelings through the neighborhood. all was Social kind & affectionate Seldom eaver any dissatisfaction all seamed as one**

family all friends & obliging kind to each other. all seemed like one Church. all went to hear all the Preachers Preach far and near. & every thing went smoothly along. thanks to the allmighty God for his blessing earth in them good old days.

I Joined the Church in my 18th year & have bin a faithful old soldier & never regret that I followed my Master. I often shed tears when I think of them good old days. I am now living on borrowed time but am true to my heavenly master. Brothers & Sisters I would like to be with you but I am to old and feeble I cannot be with you but I have one request of you all pray for me & pray unseasingly there is victory worth gaining for us all & let us be prepared when we leave this world to meet in a world where there is no pain Sorrow & disturbence.
